HEALTH: All dogs must be in good health. Owners will need to certify that their dogs are in good health and have been free from fleas or ticks or illness.

When your dog is playing actively and fights and injuries could occur. I waive all rights against Barkin' Up Hickory, and its employees, regarding the dogs for any injury, illness or death stemming from any acts while dogs are in our stay. I also understand and waive any rights against other dogs, and dog owners, intentional or unintentional acts that may cause harm to the dog(s), or personal property.

Your dog's behavior will be tested at the beginning of its first day of daycare, where our qualified staff will perform food and toy aggression test and any aggressive behavior may cause dismissal from our daycare. Each dog is also tested for overall comfort level. Daycare is not for every dog, our tests also make sure your dog is happy, comfortable, and will get the most of their daycare/boarding experience.
